

Prayer to Our Lady of Loreto

I just implore your Holy Name. Help me find a house in Union of your Holy Son our Lord Jesus Christ and your Holy husband St. Joseph. For the peace and happiness that in your Holy House of Loreto, you lived there happily, by the grace and blessing that the Holy Father granted you. I implore you spiritually, to help me. I concentrate my future home.

Holy Mother of Loreto grant us health, peace and happiness and help us in our lives. Just like your house was Holy and blessed by God. I ask that my future house be blessed and protected by you and by God. If you help me Holy Virgin and grant me my request (say your desire) I will make he who is my friend bless you also.
